

Eco Conditioner Bar

DESCRIPTION

Break away from the bottle and reduce waste with this eco-conscious conditioner bar, designed to outlast multiple of its plastic bottle counterparts. This bar is simply prepared with **Cola®Quat CBC**, a ready-to-use conditioning concentrate that leaves hair soft, bouncy, and smooth. With nourishing butters and oils, this bar can also be used as a conditioning shaving bar.

Use: Lather bar in hands with warm water. Apply bar to wet hair with a combing/swiping motion and massage through. Leave on for several minutes before rinsing for maximum nourishment. Keep bar dry between uses.
