

## Charcoal Scalp Restoring Scrub

This scalp scrub combines detoxifying black lava sea salt and fresh sugar granules in a coconut oil base to gently exfoliate and soothe the skin surface and nourish roots, promoting healthy hair growth. The addition of **Cola®Mate LA-100 MB** creates a rich lather that allows for an easy, clean rinse-off. Includes low-irritation ingredients that can be used over the entire body.

### FORMULATION

Order	INCI Name	Trade Name	%
