Cola[®]Teric SLAA MB is a mild surfactant designed for use in personal care applications. Compatible with anionic and cationic surfactants, Cola[®]Teric SLAA MB is suggested for shampoos, bubble baths, bath gels and body washes. Cola[®]Teric SLAA MB will increase foam, mildness and viscosity in most anionic/amphoteric formulations and may help to reduce irritation from other co-surfactants.

BENEFITS

- Boosts foam
- Builds viscosity
- Reduces irritation (from co-surfactant)
- Low irritation
- Conditioning properties
- Shipped preservative free

APPLICATIONS

- Shampoos and rinses
- Bubble baths
- Body washes
- Face washes
- Baby personal care formulations
